New Design All in One Pos Terminal for Retails

"Have you ever seen a movie called ' Chinatown Detective'? The "Q" in it is a symbol of "intelligence", which coincides with our initial positioning of QPOS. "This is how Mr. Yang, the founder of the SuiYi, explained why he named the new all-in-one POS "Q". As the name implies, "Q" means smart and with its compact design and extensive peripherals, it can navigate through various industries.

Product Description

The stylish and elegant design of QPOS makes it perfect for the retail and hospitality industries.The motherboard is deliberately positioned separate from the screen, and whether it has a fan or not, hiding in the base means better heat dissipation than ever.Seamless integration of numerous peripheral modules such as integrated MSR, fingerprint reader, Second Display and 2×20 VFD Customer Display.

Product Parameter

Specification	
DISPLAY	
Size	15"/ 15.6" LED LCD
Type	Projected Capacitive with 10 touch points
Touchscreen	Yes
Resolution	1024x768 pixel (15"), 1920x1080 pixel (15.6")
Brightness	280 cd/m²
PHYSICAL PARAMETERS	
Power	12 VDC
Operating temperature	0°C to +40°C
Storage temperature	-20°C to +60°C
Installation requirement	Indoor
Case	Alumium Die-casting + Plastic + Glass

Case colour	Black+ White
Weight	5.9 kg
Dimensions	470*320*470 mm
Approvals	CE EMC, FCC SDOC, RoHS, UKCA
EXTERNAL I / O ports	4-USB,2-COM, 1-VGA, 1-LAN
ADDITIONAL EXTRAS	
Additional extras	MSR, RFID, i-Button, NFC, RFID Card, Fingerprint Reader option
OPTIONS	
Printer	80mm thermal printer(option)
Customer display	2x20 LCD without touch (option)

Product Detail

Slim Display, Sleek Chassis and Small Footprint Design

Compatible with Either Windows and Android Operating Systems

Easy to dissipate heat and high temperature resistant, right choice for use in harsh environment
